MEMORANDUM FOR INSPECTOR GENERAL, DEPARTMENT OF DEFENSE

SUBJECT: DISA Freedom of Information Act Request – Mr. Nick Schwallenbach, Project on Government Oversight

Enclosed is one document, totaling 62 pages, entitled Technical Report on the Standard Finance System (D-2005-093). As requested, the DISA Office of General Counsel has marked in red those portions DISA OGC has determined should be redacted prior to release.

Under FOIA Exemption 2 (5 U.S.C. §552(b)(2) (2002)) (the “high” 2 Exemption), information is protected from release if it is “predominately internal” and “significantly risks circumvention of agency regulations or statutes.” (*See Crooker v. ATF*, 670 F.2d 1051, 1073-1074, D.C. Cir. 1981). This includes information that, if released, could be used to gain unauthorized access to an agency’s sensitive information or computer systems. *See, e.g., Prows v. United States Dep’t of Justice*, 1996 WL 228463 (D.D.C. 1996) (release of DEA file markings could facilitate unauthorized access to sensitive information); *Jefferson v. United States Dep’t of Justice*, No. 00-1489, slip op. at 3 (D.D.C. 2000) (release of case file numbers “might be used to compromise the security” of agency’s computer systems); *Hall v. United States Dep’t of Justice*, 1989 WL 24542 (D.D.C. 1989) (release “could facilitate unauthorized access to [the agency’s] communications systems”); and *Kuffel v. United States Bureau of Prisons*, 882 F. Supp. 1116, 1123 (D.D.C. 1995) (computer access codes are protected from release).

I have enclosed the redacted pages for your reference. If the requestor considers this response to be a denial of his rights, he may appeal to the following: Director, Defense Information Systems Agency, P.O. Box 4502, Arlington, VA 22204, within 60 days of receipt of this letter. Both the letter and envelope should be clearly marked “Freedom of Information Act Appeal.”

This concludes the initial determination by the Defense Information Systems Agency. If we may be of further assistance, please contact Robin M. Berger, FOIA Control Officer on (703) 607-6515.
